1. Janet returned Trust Land Video, Nancy took it and will give to Cindy when she is done. Sarah, Amy, Gail, and Kim need to view it.
2. Safety issues were discussed with Monty from St. George City. The walking/biking routes to and from school have not changed. All is well in that area. Cindy expressed concern with Brigham Rd. Speed limit is 25 mph, but people speed along the road. Monty said to call the police or go to their link from City's website. We can send concerns that way anonymously if needed. New interchange, exit 2, should alleviate some of the traffic problems at round about.
3. Election of Community Council Positions. Cindy nominated Janet Carter as Chair. Nancy seconded the motion. Cindy as Co Chair by Janet, 2nd by Roma. Unanimous Decision.
4. Future meeting dates were decided. They will be Wednesdays @9:15. First meeting will be held Sept. 24, Nov. 19, Feb. 18, and Apr. 23.
5. Will discuss additional money and how to spend it at September meeting.
